2018/12/17 4:47:44 p. m. CET			7
2018/12/17 4:48:09 p. m. CET	Ali gave nice presentation about his part.	One of the speakers didn't attend.	10
2018/12/17 4:49:59 p. m. CET	Ali explained well. Calm and clear	None	10
2018/12/17 4:51:02 p. m. CET	A clear explanation	A bit long presentation.	9
2018/12/17 4:51:49 p. m. CET			8
2018/12/17 4:52:17 p. m. CET	Ali's ability to think quick! Clear slides	Medical part detracted from the technical part, going back and forward is confusing, too many slides, it was not clear about the method exactly presented	6
2018/12/17 4:52:34 p. m. CET	Interaction with the class, good explanation of basics of DWI MRI, nice flow of the presentation	A bit unclear how explained techniques can be used in practice.	8
2018/12/17 4:53:07 p. m. CET	Very different topic and learnt about more core Image Processing.		10
2018/12/17 4:53:12 p. m. CET	Handled well the absence of the other group component; good visual explanation of difficult concepts in MRI physics	Time management	8
2018/12/17 4:54:47 p. m. CET	Ali's presentation was very good in general. Very informative, something new for us and nice explanation	I don't get the idea of how to do the diagnosis with the Diffusion MRI. Too much information about the principle of the technique but not very informative about the disease diagnosis	8
2018/12/17 4:54:48 p. m. CET	Nice Presentation and Slide	I do not get the motivation of the presentation	7
2018/12/17 4:55:14 p. m. CET	An interesting take on the topic. Ali is generally very good at doing presentations and keeping people attention high (even though it was the last presentation of the day when	If I need to be nitpicking, the style of the slides could be a bit better. Also, yes, a bit over time limit, but not necessarily his fault, he did lose a lot of time when Cholpon interfered.	10

	people are generally tired), this one was not different.		
2018/12/17 4:55:34 p. m. CET	interactive presentation knowledge about the topic		9
2018/12/17 4:55:47 p. m. CET	Demonstrated good understanding of MRI.	Some parts were a bit hard for understanding, too many slides	8
2018/12/17 4:56:19 p. m. CET	managed the absence of his colleague in a good manner. Nice recalls, and trying to take some time to not loose everyone. Nice answers to questions	Some heavy text slides. Concepts looks clear; but few problems to speak them out	9
2018/12/17 4:56:24 p. m. CET			9
2018/12/17 4:56:57 p. m. CET			10
2018/12/17 6:48:45 p. m. CET	He knew how to handle the presentation without his partner.	Time management	10
2018/12/18 2:02:39 a. m. CET	Ali has good teaching skills		10
2018/12/18 2:58:17 a. m. CET			10
2018/12/18 10:11:47 a. m. CET	Interaction with the class, good explanation of basics of DWI MRI, nice flow of the presentation	A bit unclear how explained techniques can be used in practice.	8
